

Mission Statement

The Mission of the Sallie Logan Public Library is to provide all people of the community recreational, educational, and informational materials in convenient forms. The Sallie Logan Public Library seeks to accomplish its mission through prudent management and development of its resources. The Sallie Logan Public Library will cooperate with other libraries, and educational, cultural, community, and governmental agencies and institutions. The Sallie Logan Public Library is committed to the Library Bill of Rights and the Freedom to Read Statements.
